DID YOU KNOW

Our Instructors

Our two instructors spend hours of their own time, teaching and learning new dances and steps to keep the class interesting and for me challenging. They are volunteers, which means there is no payment received.

Suggestion Box

There is a suggestion box on the front table.

Compliments and complaints can also be put in this box - anonymously or named.

It was great to get a suggestion in our suggestion box - see how quickly the suggestion was acted on!

Safety and Etiquette

- 1. Always wear shoes - you may not be covered by insurance if someone steps on your feet and you get injured - shoes protect those dancing feet of yours*
- 2. Always exit and enter a dance from the side of the line - do not weave through all the dancers to get a spot.*
- 3. Hop on the end of the line - or if you need a few people around you, just enter from the side of that line.*
